Joanne O. Kline, *Executive Director*

The Mission....

The VNA Foundation of Greater North Penn, a 501(c)3 tax exempt public charity, invests in organizations that have the capacity to strengthen individuals and families along a continuum of need. The Foundation contributes toward the health and well-being of those who reside in the Greater North Penn region of Montgomery County, PA.

This health conversion foundation continues the legacy of the North Penn Visiting Nurse Association (VNA) in building stronger and healthier communities for generations to come.

The Foundation Mission

The VNA Foundation recognizes that local organizations require partnership and support to achieve our mutual goal of building strong and healthy communities within the North Penn region. To that end, the VNA Foundation of Greater North Penn continues to strengthen organizations which enhance and expand health and wellness opportunities within our community. Programs which increase health access, expand available health and wellness options for residents, and significantly impact the well-being of those residing in and around our Greater North Penn region, are a priority for this foundation.

Working closely with local nonprofits to build capacity, the VNA Foundation provides operational support, program support, and capacity-building grant opportunities for local organizations. Twice each year, the VNA Foundation receives applications for funding that aligns with the foundation mission, and continues to work in partnership on projects throughout the year which build strong collaborative relationships among local organizations.

A dental access program to benefit low-income North Penn residents is the foundation's signature initiative, and operates successfully in partnership with Abington-Jefferson Health and the Montgomery-Bucks Dental Society. This program is completing its fourth year of operation and has touched the lives of over 285 low-income residents without dental insurance, through a network of 54 dentists in 29 locations across the North Penn region. Our thanks to the partners making this difference to enhance dental health within our local communities!

\$1.9 Million

provided to benefit local community organizations during the first four years of operation

Ongoing Community Support

The VNA Foundation of Greater North Penn continues to support local events and special projects which align with the foundation's mission and helps promote or enhance partnerships to benefit the entire community. In addition to the 2018 Collaborative Summit, the VNA Foundation has also supported the annual Centenarian Celebration, the Chamber of Commerce Reading Day, and the 27th International Spring Festival, which reached thousands in the community through this annual diversity event held at North Penn High School this spring. It is the foundation's intent to continue to work in collaborative partnership with local organizations seeking to strengthen communities within this region.

Memberships & Collaborative Partnerships

- Exponent Philanthropy
- Grantmakers in Health
- Bucks Mont Collaborative
- Pennsylvania Health Funders Collaborative
- Penn Suburban Chamber of Commerce
- Philanthropy Network of Greater Philadelphia
- The Collaborative Advocacy Network

A Look To The Future

The VNA Foundation of Greater North Penn will continue to support local nonprofits twice a year through grant opportunities available during the foundation's spring and fall grant cycles, with the larger grant opportunities available each spring and grant opportunities available each fall to build capacity for local nonprofit organizations within the North Penn region.

The VNA Foundation will continue to support partnerships to strengthen local nonprofits, to build capacity, and to improve organizational effectiveness. Additionally, the foundation values collaboration among local entities seeking to serve the community more effectively, and will support those projects which ensure successful and measurable outcomes, provide the best quality of services and programs, and enhance access to expanded health and wellness opportunities in the Greater North Penn area to benefit the residents of this region.

The VNA Foundation of Greater North Penn appreciates the opportunity to partner with your organization to enhance the effectiveness of your programs and services to benefit residents within the Greater North Penn region into the future as a private foundation, beginning in FY2018-2019.
