Thank you for applying for a Spring 2024 grant. We know that time and resources are strained, and we appreciate what you do. Expect to hear from us with questions and/or a decision within 45 days of our application due-date. Note: If a grant is awarded, the award amount may be less than requested. For those awarded a grant, reporting will be in the form of a short conversation. Grant awards will be based on several factors including but not limited to: depth and breadth of direct impact on people in greater North Penn, especially those from underserved communities; organizational budget size; and availability of VNAF funds.
