OUR MISSION

The mission of the VNA Foundation of Greater North Penn is to support the organizations that build stronger and healthier communities in Greater North Penn.

OUR VALUES

In everything we do, the VNA Foundation of Greater North Penn values:

- **ALL PEOPLE:** We act with integrity, respect and human compassion for one another and all residents of the North Penn community.
- **ALL PARTNERS:** We engage diverse perspectives to foster collaboration and innovative solutions.
- **OUR REGION:** Together, we strive for an inclusive North Penn community where everyone has equitable access to health care, basic needs, and healthier outcomes for all.

OUR COMMUNITY

The VNA Foundation of Greater North Penn supports the same geographic region within Montgomery County, PA, that was originally served by the Visiting Nurse Association of Greater North Penn. That area is comprised of the **boundaries of three school districts (North Penn, Souderton and Wissahickon) plus Worcester Township.**

As the North Penn region continues to evolve, the VNA Foundation seeks to partner with nonprofit organizations that dedicate their efforts to improving the health and well-being of residents of North Penn. While some of our grant partners may serve a broader population, our foundation places priority on those organizations and programs focused on the North Penn region and addressing health access, collaboration, capacity building and basic health needs in our area.
